

Shed Fire 1265 Palmdale Circle

Did you know that unattended cooking is the number one cause of structure fires?

Fire consumed an outdoor shed and its contents on 1265 Palmdale Circle Thanksgiving Day at approximately 1530 hours.

A turkey fryer, in use and left unattended, was determined to be the cause of the fire. Fortunately, a boat that was parked nearby was not damaged.

Damage/loss to the shed was determined to be approximately \$15,000.
