FIREFIGHTERS STOP GARAGE FIRE

(Palm Bay)--Three residents woke up to smoke in their house and were forced to flee as a fast moving fire nearly destroyed the home. Just before 8 a.m. Thursday Palm Bay Fire-Rescue responded to 866 Cornell following a 9-1-1 call from a neighbor reporting smoke coming from all sides of single family home. When firefighters arrived they contained the fire damage to the garage area and smoke damage throughout the rest of the home. Further investigation revealed the fire originated near a refrigerator and an air handler located inside the garage however the exact cause is undetermined. The damage to the concrete block single family home which is valued at \$75,000 is estimated at approximately \$40,000. There were no injuries as a result of the fire.
