

Firefighter Herndon Retires

July 1986 – July, 2010

Firefighter Tim Herndon began his career with Palm Bay Fire-Rescue in July of 1986. He quickly became an integral part of the Department, and was trusted to give 100% on every call.

Firefighter Herndon has a large number of citizen complimentary letters in his personnel file as well as compliments from his supervisors. For Instance, “Firefighter Herndon is like a well-oiled machine, knowing what is needed before it is even asked for, ranging from patient care to fighting a large brush fire”. He will be missed.

Firefighter Herndon plans to retire to North Florida to join his family.
